ACCESSIBILITY

The developers of ITHIM-USA are committed to providing a website that is accessible to the widest possible audience, regardless of technology or ability. The website incorporated the Web Content Accessibility Guidelines (WCAG) 2.1 of the World Wide Web Consortium's Web Accessibility Initiative. Even though we strive to incorporate best practices, it may not always be possible to do so in all areas of the website. Should you experience any difficulty in accessing the website, please do not hesitate to contact us at neil3971@comcast.net.
